

ATHENA

Named after the ancient Greek goddess of wisdom and strength, Athena was named for its clever bi-levelling capacity.

Athena 850

The Athena bi-levelling scissor lift can take on challenging terrain like no other scissor lift on the market.

The Athena range of bi-levelling scissor lifts enable you to take these units anywhere you need to go. The Athena is built tough and is suitable for indoors and outdoors (including up to 20° front & back and 15° side to side inclines and uneven terrain). Finally, there is a compact scissor lift that is versatile and able to handle the challenges you throw at it. Perfect for agriculture, construction, building & park maintenance, councils, tree care and many more.
