

TOYOTA 8 SERIES

Features and equipment may vary depending on market.

Outstanding Comfort and Visibility

Outstanding Visibility

The overhead guard, mast and instrument panel have been designed to provide excellent visibility of the fork tips at the most frequently used lift heights.

Easy Entry and Exit

A large assist grip, A deep, wide step and a spacious opening team up for easy entry onto the forklift.

Large Assist Grip

Roomy Foot Space

Comfort and Support ORS* Seat
*ORS: Operator Restraint System

Efficiency-Boosting Operability

Operator-Friendly Steering Wheel

The small-diameter steering wheel helps easy operation.

Multifunction Display OPT

The Multifunctional Display offers useful information for operation.

Combination Meter

Necessary instrumentation, such as the fuel meter, water temperature indicator and hour meters are shown in an easy-to-monitor digital format.

Top-Class Stability SAS + OPS

System of Active Stability

Operator Presence Sensing

System of Active Stability SAS OPT

The Active Control Rear Stabilizer realizes forklift stability during turns. This system includes such functions as the Mast Function Controller and Steering Synchronizer.

Provides excellent stability when turning.

Travel and Load-Handling Control OPT

This includes idle-control to maintain lifting performance and one-button control to lower maximum speed. Powershift models also control travel speed based on load weight and lift height.

Operator Presence Sensing System OPS

The OPS system will terminate load-handling and powered travel functions if it senses that the operator is not in the proper operating position.

Note: OPS does not operate the brakes. Always set the parking brake before leaving the forklift.

Travel OPS is not available on manual transmission models.

Environmental Friendliness

Low-noise operation and environmentally friendly components help to create comfortable workplace.

Low-Noise Design

Serviceability

Extended engine hood opening provides easy access for inspections and servicing.
